

FOR ALL TEAMS

A bulk of the cost to run these groups occurs in the first few months.

Therefore, we would like to ask for a \$200.00 by the first rehearsal and %50 of the remaining balance for the season/semester cost by the end of September.

This is to insure our coaches receive their salaries on time and we have the funds to costume and uniform our teams.

Drill team Cost summary 2009-2010
